WORK EXPERIENCE

Full-Stack Lead Developer

March 2016 – Present

International Automobile Association Inc, Florida, United States

Project leader and main developer of the company's main website project, including the front-end and back-end applications. I also developed software which connects to database system for license cards printing. Working remotely from Vietnam.

Chief Technology Officer

July 2009 – Present

Grey Neuron Ltd, Ho Chi Minh, Vietnam

Primary point of contact for critical technical issues. Also project manager, leading team members and ensured project completion on time and within budget.

Senior Web Developer

March 2008 – June 2009

Golden Lotus Tech, Ho Chi Minh, Vietnam

Web designer/developer. Utilized contemporary design to create concise websites for specific client needs. Used of PHP, CSS, HTML, JavaScript, MySQL, online payment features, and form processing.

EDUCATION

Bachelor of Science

October 2004 – May 2009

University of Information Technology, Ho Chi Minh, Vietnam

Studies focused on programming, IT project management, multimedia design, technical planning, and business case analyses. Created working prototypes for numerous website projects.

ASP.NET Programming

September 2008 – January 2009

TMA Training Center, Ho Chi Minh, Vietnam

Studied ASP.NET web programming in real-life working environment, and gained valuable time-management and team-work skills.
